MOTION BY SUPERVISOR GLORIA MOLINA

February 3, 2004

The Board of Supervisors proudly declares March 20-31, 2004 as Los Angeles County Cesar Chavez Community Service Week, offering volunteer, educational, and cultural activities in honor of American hero and community leader, Cesar Chavez.

Following Cesar Chavez' example of service to others, County employees may voluntarily offer a day of community service at a designated Cesar Chavez Community Service volunteer site which include community gardens, libraries, probation camps, and beach and river clean-ups.

County employees may also voluntarily participate in the Cesar Chavez 2004 Food Drive, which last year provided over 16,000 meals for needy families.

Following Cesar Chavez' example of social equality for all people, Cesar Chavez Week will offer Los Angeles County residents and County employees and their families art and cultural activities hosted by County parks, libraries, probation camps, community service centers, the Music Center and the Museum of Latin American Art.
